

Construction Update: November 2025

Charlton to Sturbridge Solar Interconnection Project

Construction Update:

Dear neighbor,

As of early **October 2025**, construction activities began for a solar interconnection project in the towns of Charlton and Sturbridge. This project will connect a solar facility to National Grid's electrical system.

The first phase of work is now completed. You are receiving this letter because we have identified your property as being near the project.

What to expect during construction (November 2025 – 2026) *:

- **Tree trimming and removal.**
- **Pole replacements and installations.**
- **Traffic pattern changes.** Please be aware of any potential construction traffic signs, police details, and cones.
- **No planned interruption to service** for National Grid customers.
- **Restoration** of disturbed areas once construction is completed.
- **Direct contact with our Outreach Team.** If you have questions or concerns, please call or email our team.
