

Maplewood Substation Traffic Impact Notification

September 2024

To our Valued Neighbors,

As National Grid continues construction at the Maplewood Substation off of Broadway (Route 99) you will continue to see various trucks and equipment entering and exiting the facility. This notification is to let you know there will be an oversized truck making a delivery during the afternoon hours on Thursday, September 26th. The exact time of this delivery is not known, the approximate delivery time will be between 11 AM – 5 PM.

Please be aware that there may be temporary traffic impacts as the truck is delivering the equipment.

Safety is always a number one priority and all appropriate safety measures will be in place for members of the public and for the workers at the site while delivering equipment to the site.

Key date and time: September 26th between 11 AM – 5 PM

If you have any questions or would like further information, please feel free to contact me.

Sincerely,

Bethany Rocha
